For Immediate Release

Sewer Construction Update

Chatham – C.C. Construction, Inc. will be continuing work for the Phase 1D-2A: Route 137 – Morton Road Sewer Extension Project (1D-2A) and for the Queen Anne Pumping Station (QAPS) Upgrade as outlined below. N&M Excavating LLC will be continuing work for the Crowell Road Phase 2 & Chatham Fish Pier Infrastructure Project (Crowell Road Phase 2 & CFP) as outlined below.

Work for the week of March 6th – March 10th:

1D-2A:

- Continued sewer work expected on Middle Road. *Road is closed to thru-traffic, motorists are being directed to utilize via Sam Ryder Road.*
- Continued sewer work expected on the Old Colony Rail Trail (bike path) at limited areas. *Bike path will be open, and a police detail will be stationed with the construction crew.*
- Continued site and electrical work at Pump Station #3 expected (Meetinghouse Road).

Crowell Road Phase 2 and CFP:

- Continued drainage work expected on Crowell Road between Tip Cart Drive and Kendrick Harvest Way. *Traffic will be detoured via Main Street to Old Harbor Road to Barcliff Avenue to Crowell Road.*

QAPS:

- Roadway test pits tentatively scheduled near the pump station site (40 Queen Anne Road; SE corner of Queen Anne Road and Oyster Pond Furlong). *If work occurs, on Thursday,*

3/9 and Friday, 3/10, multiple detours expected to be in place as follows, signage and police details will be in place to assist motorists:

- *Traffic from Absegami Run and Oyster Pond Furlong will be route through Chatham Village Market/CVS back entrance.*
- *Queen Anne Road will be closed at the intersection of Queen Anne Road, Main Street, and Depot Road. Traffic will be routed to Main Street to the rotary.*
- *Queen Anne Road will be closed starting at the intersection of Oyster Pond Lane, Queen Anne Road, and Adams Lane. Traffic will be routed up Adams Lane to Main Street.*

Two Week Look Ahead (3/13 – 3/17):

1D-2A:

- Continued sewer work expected on Middle Road. *Traffic plan to be determined.*
- Continued site work at Pump Station #3 expected (Meetinghouse Road).

Crowell Road Phase 2 and CFP:

- Work area to be determined.

QAPS:

- Continued site work at pump station site expected (40 Queen Anne Road; SE corner of Queen Anne Road and Oyster Pond Furlong). *Traffic plan to be determined.*

Three Week Look Ahead (3/20 – 3/24):

1D-2A:

- Continued sewer work expected on Middle Road. *Traffic plan to be determined.*
- Tentative – commence sewer lateral work on Morton Road.
- Continued site work at Pump Station #3 expected (Meetinghouse Road).

Crowell Road Phase 2 and CFP:

- Work area to be determined.

QAPS:

- Continued site work at pump station site expected (40 Queen Anne Road; SE corner of Queen Anne Road and Oyster Pond Furlong).

Please note that this is a projected schedule and will be adjusted accordingly based on the Contractor's actual progress and the weather.

Roads will be passable at the end of each day. Police Details and Contractors will work with residents to ensure their needs for access are addressed.

Police Details and signage will be in-place to assist motorists in reaching their destination.

Normal work hours are 7:00 AM to 4:00 PM Monday to Friday, weather permitting, unless otherwise noted.

The website formerly used for project updates (<http://www.chathamscproject.info>) is no longer being updated as the information is now available on the Town's website under the Projects link. If you have this site bookmarked, please update with the new link to the Town's website. Sewer construction updates are being posted to the Town's website as the primary information site for residents at <http://www.chatham-ma.gov>. We encourage you to visit for additional information regarding the CWMP and other important projects and events in Town.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
